What I saw ...
What I felt ...

The sheer fear I wanted to
run away from ...

What I failed to realize at that time was that ...

They'd follow me wherever I went -

No matter where I was -

Whether it was day or night ...

They were always there.

It was hard to endure ...

And I made a huge decision.

... Go Jeong Min?

Yes, that's me.

So... you are in charge ?

Haha, it's been ages since the last time a young man volunteered for this.

Just call me captain or chief.

Nice to meet you.

Nice to meet you. I've always wanted to try this.

I left the city and came to a remote isle.

To my relief, it seemed to have worked and they were no longer seen.

Slowly ... Gradually ...
I was forgetting them.

I was finally feeling peace of mind and then ...

After the day ..

Why .. Why did you appear again ?!

Or was it just my wishful thinking .. ?

Just why ..

WHY !
WHY !!!

Just ..
Leave me alone !

no matter what
